of preserving the scanty supply of our food-stuffs, I think the present case deserves special consideration as recommended by the Amildar. I have also to state that the Government Order No. C.G. 72-84 P.P.66-18-85 dated 11th October 1918, organizing a system of rewards for the detection of the cases of smuggling of food grains does not seem to have been taken advantage of in this District till now, since in no cases, save one pertaining to Kolar Gold Fields Circle have rewards either been recommended or paid, notwithstanding the fact that cases have been filed in the taluk courts and in many of them convictions obtained.

To set a good example in this respect I take this opportunity to request that you will be so good as to recommend the case under reference to Government for according sanction to pay a sum of Rs100/- to the Patel and 7 others as rewards for the faithful service rendered by them in this case. A list showing the names of persons and the amounts to be awarded to them, is appended. I may add that I have issued a stringent memo to the District Superintendent of Police, Kolar, and Kolar Gold Fields to let me have a complete list of cases detected till now and the amount of rewards that may be sanctioned to those who helped in the detection of the cases. I shall take immediate action on receipt of the same.
